LETTER OF COMMITMENT

Project title: Microbial ecology of biofloc-based shrimp
Reference number: 75-SPIN-JRP

Our organisation : Universitas Brawijaya (UB)
Full name : UB' Faculty of Sciences
UB' Faculty of Fisheries and Marine Sciences
Address : Jalan Veteran
Postcode : 65145
Town/city : Malang
Country : Indonesia
Tel : +62 (0) 341 551611, 575777
Fax : +62 (0) 341 565420
Legal Representative : Prof. Dr. Ir. Yogi Sugito
Contact person's name : Prof. Dr. Aulan'am, DVM., DES.

I confirm on behalf of our institution, the Faculty of Science and the Faculty of Fisheries and Marine Sciences, that my organisation has read and approved the proposal, the budget and the breakdown of work among partners, as submitted in the application form addressed to Royal Netherlands Academy of Arts and Sciences. We are fully committed to contribute to the project budget with our own resources as specified in the budget and in line with the tasks attributed to us. We confirm that the key staff involved in the project, as presented in the application form, will be available to fulfil the role outlined, and our organisation will do everything to cooperate efficiently.

I declare agreement to :

- (a) operate as a partner with the School of Life Sciences and Technology of the Institute of Technology Bandung (ITB) in Indonesia, with the Laboratory of Microbiology of the Agrotechnology & Food Sciences Group (ATV-MIB) and the Institute of Marine Resources and Ecosystem Studies (IMARES) both Wageningen University and Research (WUR), and under leadership of the Aquaculture and Fisheries Group of the Animal Science Department (WUR), to carry out the project identified above;
- (b) undertake the roles stipulated in the application form;
- (c) manage all grant money according to the conditions of the grant.
